Dear Parents/Carers,

We are writing to remind you that our school is part of the national Operation Encompass Scheme which operates jointly between schools and police forces to support young people who may have witnessed domestic violence. The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right.

In the event of a police incident in the home, the Operation Encompass scheme ensures that this information is reported to schools safeguarding leads, prior to the start of the next school day. This information enables the safeguarding leads to support pupils in school.

Any report made to the school remains confidential amongst the team of designated safeguarding leads. As a school, all our safeguarding leads have been trained in the Operation Encompass procedures allowing us to then use the information that has been shared to support the child/ren in our care.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved. If you do have any questions or concerns please contact the safeguarding leads in confidence via dsl@latimer.leics.sch.uk

Kind regards
