

Maths Long Term Plan

Year 3

Autumn 1
Place Value
Geometry

Autumn 2
Addition and subtraction
Length and perimeter

Spring 1	
Addition and Subtraction	Multiplication and division
Money	Statistics

Spring 2	
Multiplication and division	
Statistics	Time

Summer 1
Fractions
Time

Summer 2
Fractions
Measures

Maths Long Term Plan

Year 4

Autumn 1	
Place value	

Autumn 2	
Addition and Subtraction	Length and perimeter

Spring 1	
Multiplication and division	Consolidation

Spring 2	
Fractions	Decimals

Summer 1	
Decimals	Money

Summer 2			
Statistics	Angles and properties of shapes	Position and direction	Area

## Maths Long Term Plan

### Year 5

Autumn 1		
Place Value	Addition and Subtraction	Multiplication and division (mental)

Autumn 2		
Multiplication and division (written)	Area and perimeter	Fractions

Spring 1	
Fractions	Decimals and Percentages

Spring 2			
Decimals	Statistics	Position and direction	Shape

Summer 1	
Shape	Converting measure

Summer 2		
Converting measure	Volume and capacity	Consolidation

Maths Long Term Plan

Year 6

Autumn 1	
Place Value	Addition and Subtraction Multiplication and division

Autumn 2		
Fractions A	Fractions B	Decimals

Spring 1		
Percentages	Algebra	Perimeter, Area and Volume

Spring 2		
Ratio	Position and Direction	Converting Measures

Summer 1				
Statistics	Properties of Shape	Revision	SATS	Consolidation

Summer 2
Projects and Consolidation
